

Ontelaunee Jr Rifle Report

10/14/2015

Tonight is our first match of the Lehigh Valley Prone League. We are looking forward to another awesome year, and hoping to continue our winning streak.

The September outdoor prone match we hosted at North End was well attended, with a total of 40 competitors. Five of our juniors participated in the challenging weather conditions, as there was heavy rain on Saturday, and strong gusty winds Sunday. Calista and Megan were shooting scores high enough for expert class.

The following weekend, Sarah, Kaitlyn, Jenn, and Calista, traveled to Wilkes-Barre to shoot another prone match. Again, wind was a major factor for them on Sunday. In the sharpshooter classification, Sarah and Calista took turns winning or coming in 2nd for every match.

One weekend later, another prone match, this one the State Championship held at Seitzland Rifle Club. Calista, Megan, and Will Hower attended along with 40 other competitors. Megan was shooting expert scores again, and just missed winning the "High Woman" trophy by one spot and finished 2nd in the State.

Jenn took a college visit to Memphis and UT Martin. While at Memphis she competed in their "Open" match and set a new personal best in air rifle with a score of 560.

The season opener for the Southeastern Air Rifle League was hosted by Ontelaunee, on Sunday October 4th. Eight of our juniors participated and Sarah finished in 2nd place with a great score of 572.

We will be drawing tickets tonight for the Browning Knife Raffle. Winners will be posted on the club website.

Tom Fister,

Ontelaunee Jr Rifle
