

Ontelaunee Jr Rifle Report

12/9/2015

I'd like to start this report by congratulating Jennifer Plocinik. Jenn started in our junior rifle program just a little over a year ago, and did not have any prior experience in precision rifle. She has shown a great desire to learn and achieve her goals. On November 17th, she accepted a rifle scholarship to the University of Tennessee Martin (UTM). I expect we will see continued growth now, and through out her collegiate career.

At the ICRL 3-P match on November 13th, juniors Calista & Sarah led the way for our team. Calista scored a nice 564 out of 600 and Sarah set a new personal best 562.

Sarah and Kaitlyn Frantz traveled to New Jersey and to compete in an international air rifle match. Congrats to Sarah for taking 1st place.

We have two juniors who recently achieved status in the "Ontelaunee 550 3-P Club". Jennifer Plocinik scored a 555 in a match on October 30th, and Sarah Frantz scored a 562 in a match on November 13th. Congratulations to both for this accomplishment.

The air rifle league match was held at Palmyra this past Sunday and six of our juniors participated. Calista Smoyer put her brand new air rifle to work, and shot a fabulous score of 585 out of 600! That was awesome shooting Calista! Jenn also did great by shooting a new personal best 571.

Ontelaunee hosted the LV Prone League last night and came up with another win. This one was a close match as we were only one point above Kutztown. Our team score of 497, 37x came from juniors Calista, Emma, and Sarah each with a 100, Josh with a 99, and Jenn a 98. This marks our 3rd win in a row for the season.
