

## Ontelaunee Jr Rifle Report

11/12/2014

The Ontelaunee Juniors won the first match of the Lehigh Valley Prone League, only dropping five points off of a perfect score. The top five juniors to make the team were Brenton Riegel 100-10x, Luke Chromiak 99-7x, Sarah Frantz 99-6x, Max Kucsan 99-6x, and Kaitlyn Frantz 98-6x.

We had our second LV Prone match earlier this month, and it also was a big win. Our team score of 497-38x, was only 3 points away from perfect. The top juniors were Max 100-10x, Brenton 100-10x, Calista Smoyer 99-6x, Kaitlyn 99-6x, Sarah 99-6x.

We have several juniors who have been competing in the ICRL Friday night league. These matches are every week, have been helping to advance their 3-P smallbore abilities.

Congratulation to former Ontelaunee junior, Zach Strohl, who shot a personal best 591 out of 600 in air rifle this past weekend during a match with his Akron Rifle Team. Great shooting Zach!

The Browning Knife drawing was last month and 50 winning tickets were pulled. The knife sets have arrived and are available for pick up here at the club, either during the general meeting or junior rifle practice. Please check the winners list on our club website to see if you have won. The money raised from this raffle has been deposited into our Midway Foundation account and Midway will be matching it 3 – 1. Thank you for your support of the junior programs at Ontelaunee.
