

Ontelaunee Jr Rifle Report

11/11/2015

We've had a great start in the Lehigh Valley Prone League. Our first match was held at Guthsville October 14th and brought our 1st win of the season with a score of 497. The juniors who contributed to the team score were Sarah, Jenn, and Kaitlyn, each with a perfect 100, Calista with a 99 and Quintin a 98. The 2nd match was held in Palmerton and was another win for Ontelaunee. Our team score of 496 came from team members Luke, Sarah, and Kaitlyn each with a 100, Emma with a 99 and Calista a 97. Ontelaunee will be hosting the December match.

The 2nd Air Rifle League match was held at Seitzland. Megan was our only junior who attended and she scored a very respectful 555 out of 600.

Ontelaunee will be represented this coming weekend by Megan & Jenn. They will be at the University of Akron participating in the "Zippy Open" where they will be shooting 3-P smallbore and international air rifle matches. Good luck to both of them.

Our juniors continue to gain 3-P smallbore experience while competing Friday nights in the Inter County Rifle League. This has been a great way for them to take their weekly training and put it to the test.
