Monthly Jr. Rifle Report:

Earlier this year Ontelaunee Jr. Shooter Zach Strohl earned an invitation to the American Legion 3-P air rifle championship in Colorado at the Olympic Training Center. Coach Bill Berkert traveled with Zach to Colorado where Zach competed and then qualified for finals. Zach finished finals in 8th place.

Team parents and coaches spent 3 weeks in August working on indoor range repairs. The flooring is now complete, the new air rifle target hangers are installed and a new target wall in front of the back stop was rebuilt and installed. Firing line signs for 50 feet and 10 meters have been installed.

September 7 & 8 we sponsored our 3200 outdoor prone match at the North End Competition Range. In attendance were several National Champions. In addition to Pennsylvania shooters we had shooters from Ohio, New York, New Jersey, Reno Nevada, and Texas. Ontelaunee Jr. shooter Megan Weidlich reached a personal best and finished First Marksman while Ontelaunee Jr. shooter Gage Hunsicker finished close behind her for 2nd Marksman. William Dixon finished 5th master. William just earned his master card for outdoor prone about 3 weeks ago, (one day before his 17th birthday)
