

## Ontelaunee Jr Rifle Report

9/10/2014

The junior rifle team and their parents completed some necessary range maintenance during the month of August. Equipment was inspected, inventory was checked over, and we are now back to our normal practice schedule.

Two juniors, Kaitlyn Frantz and Megan Waidelich, attended the "Level 1 Rifle Coach Clinic" which was held this month at Palmyra Sportsmen's Association. I'm looking forward to them sharing some of the knowledge they just attained, and help guide some of the younger shooters in our program. I'm also expanding my coaching knowledge, and will be flying to the Olympic Training Center in Colorado this weekend to attend an advanced coaching clinic.

This coming weekend we are hosting another outdoor smallbore prone match at North End. Several of our juniors will be competing and having fun while trying to move up in the NRA classification rank. If your not a smallbore competitor but would like to see some of the Jr Team in action, you may come over as a spectator. Start time for both days is 8:30 AM and matches finish by about 4:00 PM. I just ask that you be quiet while they are shooting.
