

Ontelaunee Jr Rifle Report

9/9/2015

We have completed our needed range maintenance and are back to our normal practice schedule.

Megan has returned from her trip to England with some International Match experience under her belt, and a bronze medal to show for it. After matches in 3-P air, international air, and 3-P smallbore, her three person team came in 3rd for woman's prone. I think this trip has helped her to grow and mature as a competitor. In our last ICRL outdoor match, she finished 3rd overall, even with tricky wind conditions and a range full of great shooters.

Several of our juniors have been reclassified by the NRA. Sarah, Calista, and Jenn all have moved up to the Expert Class in Outdoor Metric Position (3-P). This is a great accomplishment.

The next three weekends are busy with prone matches. This weekend we will be hosting a two day prone match at North End. Then it's a prone match in Wilkes-Barre, followed by the State Championship prone match at Seitzland Rifle Club.

There are still raffle tickets available to help support the Ontelaunee Junior programs. All money from the raffle will be deposited into our Midway Foundation account, where it will be matched dollar for dollar. Please contact me if you would like to purchase tickets for a chance to win 1 of 10 Browning Butcher Knife Sets, or if you can help by selling some tickets. Thank you.

Tom Fister,

Ontelaunee Jr Rifle
