

Ontelaunee Jr Rifle Report

7/11/2018

Ontelaunee juniors Calista, Emma, Madilyn, and Jeanne had a great time while competing against 55 other teams, in the CMP National 3-Position Air Rifle Match. Our team won 2nd overall on day 1, and finished 11th on day 2. Madilyn and Emma both earned the remaining points needed to receive their CMP Distinguished Marksmanship Badge. Emma set a new personal best score of 590 out of 600. She also placed 1st among 103 juniors in the intermediate age group, and won a gold medal. Congratulations team for your great performance.

We have a team back in Ohio right now. Calista, Emma, Jeanne, and Lizzie are competing in Smallbore Nationals. They will be shooting outdoor 3-Position smallbore at the Cardinal Center near Columbus, Ohio. Go Ontelaunee!

One of our long time juniors, Quintin Lawley Jr, is about to take the next step in his life. He joined the Navy and tomorrow will be headed for basic training at Great Lakes Naval Station, Illinois. We wish him the best, and are very thankful for his dedication to serve our great Nation.

Thank you Friends of the NRA! Our team just received 11 new shooting jackets, and 4 new spotting scopes with stands. This was through the 2018 grant program, and we very much appreciate it.

The NRA national results are now posted online for the Indoor Junior Sectionals. Our Juniors are set to receive medals across several disciplines. Some for individual accomplishments, and some for team events. We will hold an award ceremony after they arrive.
