

## Ontelaunee Jr Rifle Report

10/10/2018

The Inter-County Rifle League is back in full swing with the start of the indoor winter season. In this league, 3-Position smallbore matches take place almost every Friday night. These have always been a great way for our juniors to take their weekly training and put it to the test.

Calista made the trip to the University of Memphis, and shot in their college open match. She competed in 3-P smallbore and offhand air rifle matches. Her scores were very good, and higher than many college shooters across all the college rifle teams.

This past Sunday we hosted the Southeastern Air Rifle League. We had four Ontelaunee juniors participate including the match winner Calista Smoyer, and the runner up Emma Rhode.

Tonight our team is at Guthsville for the start of the Lehigh Valley Prone League. Our juniors have been shooting very well and we're hoping to capture our 1<sup>st</sup> win of the season.

Tom Fister,

Ontelaunee Jr Rifle
