

Ontelaunee Jr Rifle Report

2/14/2018

Last month our prone league match was held at North End, and this month we were at Palmerton. Both matches were won by our Ontelaunee Juniors. January's team score of 500, 42x came from juniors Madilyn, Emma, Calista, Sarah, and Jeanne. February's score of 500, 46x was from Sarah, Madilyn, Emma, Calista, and Griffin. All though just a little too low on the "X" count to be added to the team score, we want to congratulate Jacob Rabert for shooting his first 100, 7x while at Palmerton.

Our team had great results from the 3-P air rifle postal matches. In the American Legion, our team is in 5th and will shoot a 2nd round to determine final national ranking. Emma Rhode finished 11th and will shoot an individual 2nd round match. If she stays in the top 15, she will earn an invitation to the national match in Colorado. For the CMP postal, our team is in 1st for the North East Region and Calista Smoyer is 1st individually. Our team will receive an invitation to compete in Ohio, where they will have a chance to secure an invitation to the CMP National Match.

Congratulations to Madilyn Riegel, for setting a new personal best score of 577, during the 3-P league match on February 2nd. In the Ontelaunee 550 Club, she now holds the highest score of our active juniors.

We hosted the Southeastern Air Rifle League on the first Sunday of the month. Our match winner with a score of 580, was Ontelaunee Junior, Calista Smoyer.

There is a special event here at the club tonight. We have the honor of witnessing Jeanne Haverhill sign a "Letter of Intent" to attend the University of Akron. She is officially becoming an Akron Zip, and will shoot for their rifle team in the fall of 2018. Congratulations Jeanne for this major accomplishment and for reaching this important goal of yours.
