

Ontelaunee Jr Rifle Report

7/10/2019

Cecelia traveled to Nebraska with her New Jersey 4H Team, and competed in the 4H Shooting National Matches. During the smallbore 3-position match she finished in 2nd place overall. After a busy week of traveling, shooting, and visiting the University of Nebraska Lincoln, she shot in another match the day after returning home. This time it was an all standing air rifle match to determine the New Jersey State Champion. She out shot all others and won the State Title. Congratulations Cecelia!

We have six juniors who have been putting in a lot of air rifle practice lately. This is for good reason, because at the end of this week they will be traveling to the CMP National Air Rifle Championship held at Camp Perry, Ohio. The Championship is actually made up of two separate matches held Sunday and Monday. Each day will conclude with a final of the top eight competitors to determine top ranking. Ontelaunee juniors who will be participating are Cecelia, Calista, Sarah, Lizzie, Emma, and Griffin. We wish the best to them all.

The Junior Rifle Team raffle items have arrived from MidwayUSA. Tickets are currently available and all winners will be drawn at our club picnic. Prizes are: 1st Ruger 10/22, 2nd Vortex Rangefinder, 3rd - 5th Browning Knife/Light Combo Set. Please see anyone from the Junior Rifle Team if your interested in purchasing tickets.

Tom Fister,

Ontelaunee Jr Rifle
