

Ontelaunee Jr Rifle Report

1/8/2020

Our team is at North End tonight for the Lehigh Valley Prone League.

The Holidays fell directly over our practice nights, preventing us from meeting for two weeks in a row. This did not prevent our juniors from setting some new personal best scores during the Friday 3-P league or the Jr Olympic qualifier. New high scores have been set by Griffin, Sydney, Kyle, Sean, Cecelia, and Jackson in either 3-Position smallbore or international air rifle.

In the Jr Olympic qualifier, Emma won Gold in the women's air rifle match with a score of 589 out of 600. She secured 1st round invitations to the National Jr Olympics in Colorado, for both air rifle and 3-P smallbore. Griffin won Silver in men's 3-P smallbore with a new personal best 568 out of 600. He was only two points below his auto-invite score, but should easily secure an invitation for the Jr Olympics. Cecelia was the highest air rifle shooter in the state with a new personal best 590. Though she could not receive a medal because they are awarded only to state residents, she did secure an invitation. Our team placed 2nd in the air rifle match and 2nd in the smallbore match. Our two college juniors, Calista and Jeanne, shot these matches at college and qualified in both smallbore and air rifle.

We are holding "Postal" matches later this month for the CMP and American Legion 3-Position air rifle.

Tom Fister,

Ontelaunee Jr Rifle
