Message from the President

I truly want to thank all of the volunteers that keep our club running so well. Maintaining over 200 acres of land and running all of the events we run is no small task and I want to make sure every volunteer knows they are appreciated. The club could not run and grow without you. When you see volunteers working around the club please thank them.

For anyone who has not volunteered any of their time yet please consider helping in the future. We are an all-volunteer club and always need help.
