Monday Morning Club Maintenance Volunteers Needed!

Unlike many other clubs, here at Ontelaunee we don't require mandatory volunteer time from our membership. What we rely on are our membership volunteers to maintain and run all of the club's grounds and facilities. This long tradition of the volunteers donating their time for maintaining the facilities is always in need of extra hands and more help. Ed Pearson manages the crew of Monday morning volunteers throughout the year. They meet every Monday at 8:30am till noon. We know Mondays are a workday for many, however, if you can volunteer 1/2 a day just once or twice a year and help out, a little bit of help from many goes a long ways in saving the club thousands of dollars annually.

Contact Ed Pearson at (610) 285-0144 to schedule a date to help out—Thank you!
