Club Replacement Card Policy:

All Membership Cards are the property of the club's; therefore it is extremely important that you understand and treat your membership card just as you would your passport or driver's license. They are not just emailed or handed out if you lose your card, they are treated as **STOLEN CLUB PROPERTY**.

If you Lost your card or believe it did not arrive in the mail, we advise the following:

- 1. We strongly suggest that you double check with family members, as we have found a VAST MAJORITY (99%) of the time, the envelope or card, has been misplaced and or set on the side when it arrives at your home.**
- 2. Once you have re-checked your home and have confirmed you cannot find your current membership card, download a "Replacement Card Application Form".**
 - a. <https://ontelaunee.org/membershipstatus/>
- 3. This form must be filled out, signed, and mailed back to the club before any replacement card will be issued, NO EXCEPTIONS!**
- 4. Your originally mailed Membership Card will be Blacklisted, Do Not Use It Once Blacklisted if you find it, as anyone found using a Blacklisted Card will be suspended from the club.**
- 5. All Members are Only Notified by E-mail when their membership card has been renewed or replaced, and then mailed. Failure to provide the club with a correct email address, you are waiving any and all claims to being notified about your membership status or card(s) being mailed to you by the club!**
 - a. **Members not reporting that they did not receive their new card in the mail within 45-days of the date the club processes the renewal of your membership, are required to pay the \$5.00 replacement card fee, no exceptions.**
 - i. **The \$5.00 fee is only waived once and to those members who report that they did not receive their new membership card in the mail within the first 45 days, once it was issued.**
 - b. **Those members who don't provide a current and correct email to the club automatically waive any right, and any claim they were not notified, and we strongly suggest providing the club with a current and correct email address to receive notifications and status updates on your membership and or processing and mailing of membership cards!**
